

Gradwell Mobile

Gradwell Mobile allows you to use your mobile phone as a fully integrated Hosted PBX extension

Use a landline number on your mobile phone. Make and take calls and texts to your office phone number on your mobile handset – it is that simple.

Dramatically reduce your business phone bills. Calls are charged as if you were using your landline, plus a mobile forwarding charge of just 3p per minute. In most cases, this can save users more than 50% on their monthly mobile bill.

With all the features of a Hosted PBX and no long-term commitment, Gradwell Mobile delivers high speed, business grade telephony and mobile broadband.

Gradwell Mobile SIM card	• £10.00 per month
Inclusive minutes (UK, International and Mobile)	• From £8.00 per month
1Gb data bundle	• £7.50 per month
500 SIM minutes (Inclusive minutes for mobile forwarding charges)	• £7.50 per month

Prices exclude VAT.

Key features

You can use Gradwell Mobile on its own, or combine it with either our Hosted VoIP services or our Gradwell One unified communications solution. All you need to get started is a 3G mobile handset and a Gradwell Mobile SIM card.

- Use your landline number to make and receive calls on your mobile
- Send and receive texts sent to your landline number on your mobile
- Low cost SIM with a flexible monthly contract
- Works as an extension on your Hosted PBX or Gradwell One account
- Integrate your mobile with your businesses' VoIP system and access features such as time of day routing, interactive voice menus and call queuing
- Single Voicemail mailbox between desk and mobile phone

- **A landline on your mobile:**
Calls and texts to and from your landline number, but on your mobile handset
- **Make immediate savings:**
Don't pay high mobile call charges (e.g. 20.5ppm). Pay landline costs, plus just 3p per minute (e.g. 1.25ppm + 3ppm)
- **Quick and easy to set up:**
Just add a Gradwell Mobile SIM to a 3G mobile handset
- **Excellent UK coverage:**
Over 98.5% coverage across the UK using Three UK's 3G network
- **Keep your landline number:**
Seamless transition by porting your number to Gradwell
- **Global presence:**
A wide-range of UK and international numbers available for your business
- **Stay in control:**
Online customer administration, call logs and invoicing

Lower call costs, integrate with existing systems and take your landline wherever you go
